

Additional Services

a la carte *

Every wedding is different. If you're looking for something beyond the packages above, there are plenty of ways we can make the music — and the memories — fit your day.

EXTRA MUSIC

Add 30 minutes of live music to any package for \$100, or ask about custom music for rehearsal dinners, welcome drinks, and other parts of your celebration.

WEDDING DAY CONTENT — WITH DASHA

Want the little moments captured too? Add candid, behind-the-scenes iPhone photos and video throughout your wedding day — the laughs, reactions and moments you might otherwise miss. Your original photos and clips are delivered in a private shared folder after the wedding. Ask about introductory packages and pricing.

EXTRA MUSICIANS

Add piano, percussion, or another musician to your package, subject to availability. Ask for a custom quote.

TRAVEL

Travel within 50 km of Kitchener-Waterloo is included. Additional travel fees may apply beyond that area.

**Applicable taxes not included.*
